

Stop getting Credit Card offers

One of the challenges in paying off credit card debt is the number of pre-approved credit card offers that begin arriving in the mail. To reduce the number of solicitations you receive in the mail, you can call the automated toll free “Opt-Out Request Line” 1-888-567-8688.

Registering with the “Opt-Out line” excludes you from lists which are prescreened by the credit reporting agencies. All the information you provide is confidential. It is used only for purposes of removing you from the list. Requests are usually processed within 5 days. You may still receive mailings from companies that do not use these lists.

Today when we are being reminded at every turn that we need to “live green”; I am happy to save a tree by canceling some junk mail—that I didn’t need to see.
